

Hello,

You are invited to a public information meeting to be held on **Monday, February 2, 2015 from 5:00 – 7:00 PM at the Maidstone Town Hall & Offices, just north of Guildhall, Vermont at 508 VT Route 102.** The purpose of the public information meeting is to solicit comments from users of and those interested in **Maidstone State Park.**

Over the last 6 months, Vermont State Parks and our consultants, SE Group and Northern Architects, have been planning and re-designing certain areas and facilities at the park keeping the historical character in mind while looking with an eye to today's and future needs of our visitors.

We would like to hear your thoughts on this conceptual planning and design effort. If you are not able to attend the meeting and would like to be heard and/or involved, we have developed a tool for you to review and comment from your own computer by following this link: <http://www.surveygizmo.com/s3/1958104/Maidstone-State-Park-Master-Plan-Public-Information-Opportunity>

We will be accepting **public comments until Friday, February 6 until 4:30 PM.** Please send your comments to my email address: susan.bulmer@state.vt.us

We will take all comments into consideration as we develop the final Conceptual Park Master Plan. Depending on the extent and type of comments, we may elect to develop a summary of comments that will be sent to all parties that have submitted comments through this process.

I thank you for taking the time out of your schedule to assist us in this venture at Maidstone State Park. See you in the Park!

Best,

Susan Bulmer

Susan K. Bulmer, *Northeast Parks Regional Manager*
